Introduction

For more than 60 years, the dairy princess program has been a highly visible and positive public relations program for our industry. Dairy princesses can be very effective at connecting with consumers about the dairy community and promoting the goodness of dairy products. Their work can amplify the work being done on behalf of dairy farmers through the dairy checkoff.

Throughout the year, a dairy princess has numerous opportunities to make public appearances. It is important, therefore, that her general attitude, personality, behavior, knowledge and appearance create a positive image for dairy products and Minnesota’s dairy community.

As a dairy princess, a young woman must be an excellent communicator who is able to interact with people of all ages. As a spokesperson for the dairy industry, she must be poised, articulate and confident during speeches and media interviews. Princesses who advance to compete for the Princess Kay of the Milky Way contest must also be capable of written communications, time management and personal responsibility for assignments.

While a dairy princess doesn’t have to be a “dairy expert,” she should have sufficient knowledge of dairy production and the importance of milk and other dairy foods in a healthy diet.

There are two primary purposes for this handbook:
1. To assist county coordinators in their planning efforts; and
2. To provide uniform guidelines for use at all levels of dairy princess activity, thus ensuring consistency throughout the program.
Local County Programs

Planning Your County Princess Contest

- If you are new at coordinating your county princess contest, invite people who have previously planned the contest to attend your first planning meeting.

- Ask past county princesses to serve on the planning committee.

- Send a news release to area media to increase coverage and publicity of the contest. (See the sample release on page 18.)

- Use social media to attract candidates (See sample on page 8.)

- Following the contest, schedule an evaluation meeting to discuss what worked and suggest plans for next year.

- A reminder, county crowns must be under four inches tall.

- Keep a scrapbook of notes, correspondence, clippings, contacts, etc. that can be passed on to next year’s contest coordinators.

- Visit MidwestDairy.com >> Young Dairy Leaders >> Dairy Princesses >> Minnesota for resources.

- Reach out to princesskaycoordinator@midwestdairy.com for questions or guidance as you are planning your contest.
Insurance

Midwest Dairy Association provides insurance coverage to Princesses, in their capacity as a Princess serving a local unit of Midwest Dairy Association (ADA). Activities covered include speaking events, banquets, parades or other organized activities they are attending in the capacity of a Dairy Princess.

There is no insurance coverage for chaperones or vehicles used to transport the Princess to, or in, these activities.
Suggestions for Recruiting County Princess Candidates

• Send a news release to local newspapers and county extension offices announcing that candidates are being sought for your county’s princess contest. (See the sample release on page 7)

• Use social media (See sample posts on page 8) to recruit candidates. Encourage your county dairy farmers and past princesses to share your post to seek candidates.

• Encourage current or past princesses to participate again. (Candidates who have been selected as a Princess Kay finalist in any previous year are ineligible to compete to be Princess Kay Finalist again but can serve as a county dairy princess again.)

• Schedule an informal meeting for all interested candidates to attend. Explain the duties and benefits of being involved in the princess program. Have current or past princesses speak to the group.

• Use the current princesses as recruiting tools for younger candidates through 4-H, FFA, Junior Holstein Assoc., etc.

DAIRY PRINCESS CANDIDATES SOUGHT

The American Dairy Association of _____________ County is seeking candidates to participate in this year’s dairy princess program. Dairy princesses serve as goodwill ambassadors for the dairy industry through appearances that help explain dairy farmers’ passion for taking care of their animals and land while providing nutritious food for people locally and throughout the world. The princess contest will be held ____________ (date) ______ at ______ (Location).

A candidate must be a high school graduate by July 1, (year of contest) and not yet 24 years old by July 1, (year of contest). A candidate must be a U.S. Citizen or Permanent Resident. She or her parents must be actively engaged in the production of milk for sale to a licensed plant during the current year. A candidate also qualifies if she or her parents are employed on a dairy farm in a dairy-related capacity, or if a sibling has taken over the home farm. Additionally, she would qualify if her or her family custom raise animals that will produce milk or lease animals in exchange for work on that farm.

The dairy princess program is sponsored by the county’s dairy farmers in conjunction with Midwest Dairy’s Minnesota Division and the dairy checkoff. Serving as a county dairy princess is also the first step toward becoming Princess Kay of the Milky Way. Ten finalists will be selected to compete for the Princess Kay title in August.

At all levels of competition, contestants are judged on their communication skills, personality, enthusiasm for dairy promotion and general knowledge of the dairy industry.

Selecting Contest Judges

It is important to select judges from varying backgrounds to bring different perspectives to the judging panel. Judges might come from the dairy industry, print or broadcast media, extension offices, educational institutions, the public relations/marketing field or civic positions.

It is strongly recommended the judges you select do not all come from the same background, i.e., all dairy industry, etc. By incorporating judges with different backgrounds, you increase the chances of finding the contestant with a special blend of dairy knowledge, communication skills, poise, personality and character.

In appreciation of your judges’ time and services, it is recommended that you provide them with an appropriate stipend and/or mileage reimbursement and offer them complimentary tickets to the coronation event.

Based on past experiences, a panel of three judges can make a selection more efficiently than a larger group. It helps if at least one judge has previous dairy princess judging experience. However, that does not designate him or her as the “head judge.” Reinforce that all judges are equal in the decision-making.

Prior to the contest, a princess committee member should meet with the judges to present them with an overview of the princess program. The information beginning on page 15 may be helpful in doing this. It is important to explain to the judges that the intent of the princess program is to reach consumers. Stress that the contest is not a “pageant,” nor a reward program for accomplishments, but rather part of a public relations program to select goodwill ambassadors for the dairy industry. Selection should be viewed much like a job interview, seeking the skills needed to represent dairy to the public.

Also, during this meeting, the princess committee member should review the scoring sheets with the judges. These scoring sheets should list the various categories that candidates are judged on with considerations listed for each category. The following pages contain sample scoring sheets. You may wish to use them or base your own scoring sheets on them. In addition, you may wish to have the judges provide the candidates with comments. Many candidates appreciate receiving such information. A sample comment sheet is included following the score sheets.

Our newly updated score sheets have been a hit. You will notice that there are no points for the judges to fill out, this helps move things along and provide good feedback to the candidates on what they can improve upon. It is recommended that each county assign a column a score based on their needs, Ex: Good = 3 points. Then a coordinator or board member should score the sheets based on the assigned column point values.

Even if you have one or two candidates, we still recommend going through a practice judging. You may decide to only bring in one judge, if that is the case, but going through a round of judging is beneficial to those that are going to run for Princess Kay of the Milky Way. It is also great life experience for those girls that aren’t competing for Princess Kay of the Milky Way.

From the Judges to the Candidate

These comments are to provide you with constructive feedback on your strengths, and areas of opportunity to grow and develop as perceived by the judges. They are given to you in confidence; no one else receives these.

Areas of Opportunity to grow and develop:

Judges’ Signatures:
Dear Dairy Princess Judge,

Dairy princesses serve as goodwill ambassadors for Minnesota’s dairy industry. Throughout their reign, they make numerous public and media appearances on behalf of their local dairy association and dairy farm families. The dairy princess program is a well-established, visible public relations program for the dairy industry, funded by dairy farmers through Midwest Dairy and the local promotion organizations.

Because of the role’s visibility, it is important that a young woman’s general attitude, personality, behavior, knowledge and appearance create a positive image for dairy products and Minnesota’s dairy industry. She must also have excellent communication skills and an ability to interact with a variety of audiences, including adults, children, the media and dairy farmers.

Although a dairy background is a requirement for dairy princesses, consumers are the ultimate audience of the princess program. While knowing details about the dairy farm is important to a dairy farmer, a consumer relies on the princess’s communications skills, credibility and values in order to make a judgment about dairy. Therefore, judging emphasis should be on a candidate’s general knowledge of dairy farming and dairy products and ability to share them with consumers.

Here are some of the many activities a dairy princess may be involved in:

- being interviewed by the media;
- communicating through social media;
- visiting classrooms to explain where milk comes from;
- attending local fairs and trade shows;
- speaking to audiences at conventions or meetings;
- recording announcements with local radio stations;
- serving dairy products at public events;
- appearing in parades; and
- assisting with tours of dairy farms.

We appreciate your willingness to serve as a judge in the process of selecting these important representatives for our industry. In appreciation for your services as a judge, we will provide you with _________ (a stipend and/or mileage reimbursement, etc.) and offer you a complimentary ticket to the princess coronation event on _____(date/time)_____ at _____(location)_____.

_______ (Name of county)_______ County Princess Contest Committee
Suggested Judging Format

It is strongly recommended your judging session include more than just a professional interview as it is beneficial for the judges to see the candidates in various situations. It is also good practice if your princess decides to advance to Princess Kay judging. If you have a limited timeframe for your contest, or if you have several contestants, you may wish to include only two of these sessions, rather than all three of them.

Session One: Interviews

Each candidate should be allowed a 10-minute interview with the panel of judges. It’s recommended the judges ask one or two simple “icebreaker” questions to help put the contestant at ease, such as “Describe your activities on the farm,” or “What are your future career plans and why?” The judges should then ask more pertinent questions that will help them consider a contestant’s qualifications.

Mechanics: One contestant at a time meets with all judges.

Timing: At least 10 minutes per contestant. All contestants must be allowed an equal amount of time.

What judges should look for:
See the sample scoring sheet on page 10.

Session Two: Speech

Each contestant gives a 4-6-minute oral presentation to the judging panel. The topic should be dairy-related. The contest committee may either pre-select the topic or allow each contestant to choose her own. Be sure to allow contestants ample time to prepare their presentations before the contest date. Using note cards for reference is acceptable, but judges will likely score a presentation higher when the contestant is less dependent on notes.

Timing: 4-6 minutes per presentation, depending on number of contestants.

What judges should look for:
See the sample scoring sheet on page 11.
Session Three: Media Interviews

Each contestant is “interviewed” during a media situation in front of the judges (not in front of the other contestants, however). A local radio personality or other person designated as the “reporter” should ask each contestant the same questions, using a microphone and tape recorder for effect. The questions should be provided to the reporter by the contest committee or judges. At least one or two questions should make the contestant “think on her feet.”

Mechanics: Individual media interview with judges observing.

Timing: At least 2-3 minutes per contestant.

What judges should look for:
See the sample scoring sheet on page 12.

Compensating Your Princess

Counties should compensate their princesses when they make appearances on behalf of their local dairy association. Princesses must obtain approval from their designated county contact person prior to making any public appearance as a dairy princess. This policy must be clearly explained to each princess and she should be provided with the name, address and phone number of that contact person immediately after her coronation.

Counties may determine their own compensation policies; however, the following is a suggestion:

- Princesses are paid the approved IRS rate for mileage for all appearances scheduled by their county.

- Counties should pay their princess a per diem per appearance or a stipend at the end of her reign.

Midwest Dairy provides Princess Kay of the Milky Way with a stipend for each official appearance and reimburses her for related expenses (mileage, lodging, meals, etc.) She also receives a cash award at the end of her reign.

Princess Kay Request Form

Counties are encouraged to request Princess Kay of the Milky Way to attend their events. If you wish to request Princess Kay of the Milky Way please complete and submit the Princess Kay Appearance Request Form found on the Midwest Dairy website at https://www.midwestdairy.com/education/farm-life/request-a-visit-by-a-dairy-princess/.
Dairy Promotion and Leadership Conference

Your new county dairy princesses are invited and encouraged to attend a statewide dairy promotion and leadership event held in May.

During this event, they will be provided with valuable information to help them better understand and perform their role in the dairy industry’s public relations program. It will also help them develop life skills useful to being students and developing their careers. Here’s just a sampling of what may be presented:

- How to interact with consumers;
- Skills on media relations and public speaking;
- Classroom presentation tips;
- Issues in agriculture; and
- Ideas and resources to promote dairy.

These educational sessions will help build their confidence and knowledge as dairy ambassadors and young women.

Your county dairy princesses also have the option of applying to compete as a finalist for the Princess Kay of the Milky Way competition. During the event in May, special judging sessions will be held to select 10 finalists who will advance to the Princess Kay contest held in August.

We request your help in getting this information to your dairy princesses. Immediately following your county princess coronation, please fill out the forms found online at Midwestdairy.com >> Young Dairy Leaders >> Dairy Princesess >> Minnesota. Forms are due by April 15.

There will be a separate form for you as a county coordinator to fill out and a form for your dairy princesses.

We will send you and your princesses a packet of information regarding the event and Princess Kay finalist selection process end of April. (It is optional for princesses to enter the Princess Kay finalist selection process. They may choose to attend the training seminar but not apply for Princess Kay consideration or they can choose to go through the judging process as a learning opportunity but not compete for Princess Kay.)
**Number of Princesses per County**

Each county dairy association may choose the number of county dairy princesses they feel is manageable and best able to act locally on their behalf. County organizations are strongly encouraged to crown a certain number of dairy princesses equally, rather than naming one county princess along with attendants or runners-up. This will ensure that they understand they are advancing to possible future competition on an equal level.

**Number of Princesses a County May Send to Compete to be a Finalist for Princess Kay of the Milky Way**

Counties are encouraged to send all eligible representatives to attend the statewide Promotion and Leadership Event. Attendees have three options when attending the statewide event. The first option is attending the sessions but NOT participating in any judging. The second option is participating in the judging process, but NOT be considered as a 2020 Princess Kay finalist. The final option is being a candidate for the 2020 Princess Kay finalist competition. Each county must use the following state guidelines for the maximum number of county princesses eligible to compete for the Princess Kay of the Milky Way title. A county may choose to send fewer princesses to COMPETE to the finalist selection than allowed, but it may not send more.

All participants in the Princess Kay of the Milky Way finalist selection MUST MEET THE STATE PRINCESS PROGRAM RULES and SIGN the Dairy Princess Candidate Form on page 24.

The number of eligible participants per county that can COMPETE for Princess Kay are based on the number of local candidates WHO MEET THE STATE PRINCESS PROGRAM RULES:

**Dairy Promotion and Leadership Conference Event Volunteer Application**

There is a often a need to have volunteers to help with the Dairy Promotion and Leadership Conference in May. New this year, we will have a volunteer application for those interested in being a volunteer. State Princess Committee members have the first chance to participate in the event. Based on the number of committee members that will be present, we will fill the rest of the spots with volunteers who have filled out the application.

Volunteers will be selected at random with preference given to those who are available the entire weekend. We will work to have a mix of experience and new volunteers.

Please feel free to share with any that would be interested in volunteering. If there are past dairy princesses interested, they must be five years removed from the program.

To apply visit MidwestDairy.com >> Young Dairy Leaders >> Dairy Princesses >> Minnesota to find the application. Applications are due April 15 and selected volunteers will be notified following the deadline.
Princess Kay of the Milky Way Competition

The Princess Kay of the Milky Way competition begins at the Leadership and Promotion Event held in May. In order to be eligible to compete for Princess Kay of the Milky Way candidates must complete the Princess Candidate Form found on page 24. Candidates vying for a top 10 finalist spot, will be judged on the following:

- Professional Interview
- Speech
- Mock Media Interview
- Application

Information on these activities can be found on page 16. In the event of a tie, it will be broken using the scores of the events in the following order: professional interview, mock media interview, speech and application.

If a candidate is selected as a top 10 finalist, she will be required to participate in photos and a short informational session immediately following the conclusion of the banquet at the event in May. Additionally, there will be a July Workshop that she will be required to attend. Other than the event in July, finalists will be serving as a county dairy princess until the August judging event.

Prior to the Minnesota State Fair, the judging for Princess Kay of the Milky Way will take place. The candidate that is selected as Princess Kay of the Milky Way must not hold any other state titles or state leadership positions. Each finalist will have the opportunity, along with Princess Kay of the Milky Way, to have her likeness sculpted out of butter at the Minnesota State Fair. Additionally, each finalist will have the opportunity to spend at least four days promoting dairy at the Minnesota State Fair. Princess Kay of the Milky Way will be required to spend the entire 12 days at the Minnesota State Fair. During the 12 days of the State Fair, Princess Kay of the Milky Way is expected to be available only for dairy promotion through Midwest Dairy.

More information regarding timelines and responsibilities will be shared with the finalists during the informational meeting following the selection banquet.
