

# FIGHT HUNGER ROADMAP

1  
Arrange the 12 cards randomly on the blue spaces, leaving the red space empty.

2  
By sliding the cards up, down, left, and right into the adjacent blank space, create an access road from the Food (top left) to the People (bottom right).

3  
As an added challenge, try to “collect” all 5 resources along your created access road.
