

UNDENIABLY DAIRY

School Equipment Grant

GROWING DAIRY DEMAND IN SCHOOLS HELPING THE NEXT GENERATION ENJOY DAIRY IS A PRIORITY TO MIDWEST DAIRY FARMERS.

STEP 1: Members of the dairy community reach out to their local school district to see if there is a need and interest in receiving one of the packages available.

STEP 2: Members of the dairy community complete the online application (<https://www.midwestdairy.com/for-farmers/undeniably-dairy-funding/application/>)

STEP 3: Midwest Dairy will notify the applicant and school district when the request is approved or denied.

STEP 4: If approved, the School District will be asked to complete a digital letter of agreement which also identifies which package they would like to receive. Once the agreement is received, Hubert will work with the School District on shipping logistics. Agreement will ask the School District to:

- Report dairy usage at the school receiving the equipment for the following months: October 2020; April 2021; October 2021; April 2022; October 2022; April 2023
- Promote ag literacy efforts within the district including:
 - **DiscoverDairy.com** for free curriculum and Adopt a Cow Program (all grades)
 - **DiscoverUndenablyDairy.com** for free Discovery Education curriculum and virtual field trips (5th-8th grade)
 - **FuelUptoPlay60.com** Homeroom (5th-12th grade)
- Share a press release with local media working with the dairy farmer or dairy group for recognition.
- Provide a photo and testimonial for how the equipment is helping your school.
